- **OBJECTIVE**

I see GirlScript Summer of Code as the perfect opportunity to begin. I am fascinated by the collaborative nature of open-source and am eager to be part of a community where individual efforts contribute to a larger, impactful mission. My aim is to learn from experienced developers while contributing to meaningful projects in areas like web development and software development.

EXECUTIVE SUMMARY

I am a 19-year-old pursuing Bachelor of Technology (B Tech) in Electronics and Communication Engineering from Guru Gobind Singh Indraprastha university. I have my passion in coding.

SKILLS:

- Coding Enthusiast: Continuously learning through coding clubs and online challenges.

- Active Learner: Enthusiastic about attending webinars and hackathons to stay updated on the latest in tech.

- **TECHNICAL SKILLS**

- *Programming languages:*
- C++
- HTML
- CSS
- Javascript
-
- **Junior English Tutor**
- *Achari Preschool | 2018 - 2019*
- Taught grade school students twice a week
- Helped students prepare for long examinations
- Came up with lesson plans for all English tutors

- **EDUCATION HIGHLIGHTS**

BHAGWAN PARSHURAM INSTITUTE OF TECHNOLOGY, GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY, NEW DELHI
- Electronics and Communication Engineering

ACHIEVEMENTS AND CERTIFICATIONS

-Continuous Learning: Currently enhancing my problem-solving abilities through platforms like HackerRank and LeetCode.

-Committed to Growth: Actively exploring new coding challenges and open-source projects to build a diverse skill set.
